Freedom Service Dogs unleashes the potential of dogs by transforming them into custom-trained assistance dogs for people in need. The clients they serve include children, veterans and active duty military, as well as other adults, whose disabilities include autism, traumatic brain injury, cerebral palsy, spinal cord injuries, muscular dystrophy, multiple sclerosis, and post-traumatic stress disorder.

Freedom Service Dogs has been recognized nationally for its innovative approach. They have graduated hundreds of client-dog teams and have received numerous commendations, national press features, and government solutions in support of their life-changing work.
